

CHEAP SHOTS

Silver Dreams of Plastic Cameras

A PHOTOGRAPHIC EXHIBITION

Cheap Shots is an exhibition of photographic art created with cheap, plastic cameras, old cameras, pinhole cameras, and Polaroids. In an age of expensive, high tech equipment, these simple cameras offer a refreshing, lo-tech view of the world in our time. The work in this show was created by 17 artists from the Michigan area who call themselves the Krappy Kamera Club. This will be their first public showing in Ann Arbor.
